Handbook Purpose

Empowering Success

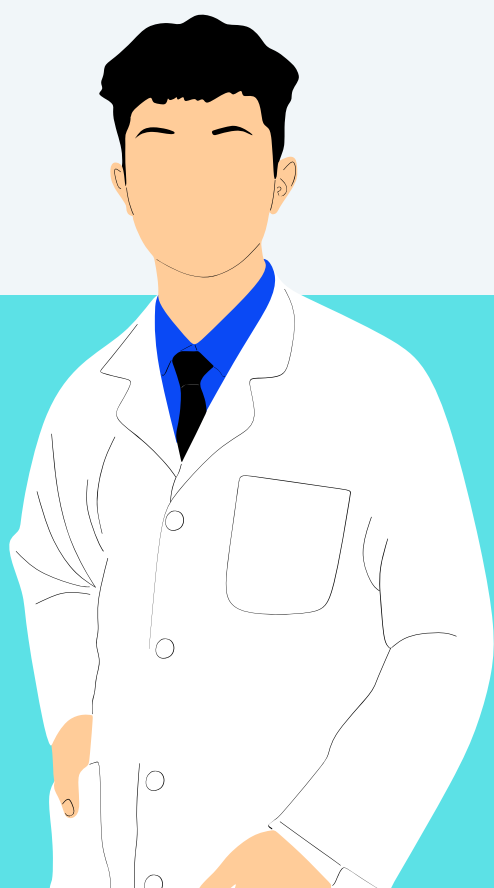

This handbook is a comprehensive guide designed to help medical aspirants navigate the NEET UG counselling process with confidence. From understanding eligibility criteria to securing a seat in a top medical college, this resource ensures students and parents have access to accurate, up-to-date information.

AI Mentorship

At HelloMedic, we leverage AI-powered mentorship to provide personalised guidance throughout your medical journey. Our AI agents simplify complex procedures, offer strategic insights, and help students make well-informed decisions at every step of the counselling process.

Strategic Advantage

With this handbook, aspirants gain clarity, strategy, and expert-backed advice to maximize their chances of success. Whether it's college selection, fee structures, cutoff trends, or counselling procedures, this is your go-to resource for medical admissions in India.

Introduction to HelloMedic NEET 2025

The National Eligibility cum Entrance Test (NEET) is a national-level medical entrance examination conducted by the National Testing Agency (NTA) for admission into MBBS, BDS, and other undergraduate medical programs in government, private, and deemed institutions across India. NEET UG serves as the sole entrance test for medical admissions in India, offering approximately 1.7 lakh MBBS and BDS seats nationwide.

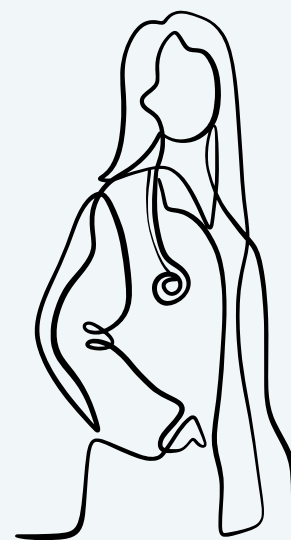

As per the Supreme Court directive of 2016, NEET UG has replaced the All India Pre-Medical Test (AIPMT) and all state-level medical entrance exams. It is now the only valid examination for securing admission into all government, private, and deemed medical and dental colleges. NEET UG is conducted in offline (pen and paper) mode by NTA.

For NEET 2025, candidates must stay updated on the official exam schedule, which includes the release of admit cards, answer keys, and results. Since 2020, admissions to MBBS seats in all 15 AIIMS institutes and 2 JIPMER institutes are also based on NEET scores, accounting for 1,205 AIIMS seats and 200 JIPMER seats.

NEET UG 2025 Score Acceptance

NEET UG scores are valid for admission into:

- 15% All India Quota seats in government medical and dental colleges across India.
- 85% State Quota seats in government and private medical/dental colleges of respective states and Union Territories.
- MBBS/BDS seats in private and deemed universities, including minority institutions like CMC Vellore and CMC Ludhiana.
- Seats in prestigious institutions such as Armed Forces Medical College (AFMC), Banaras Hindu University (BHU), and Aligarh Muslim University (AMU).
- Admission to AIIMS and JIPMER MBBS programs, which are now integrated under NEET UG.

Introduction to HelloMedic NEET 2025

NEET UG 2025 Counselling Process

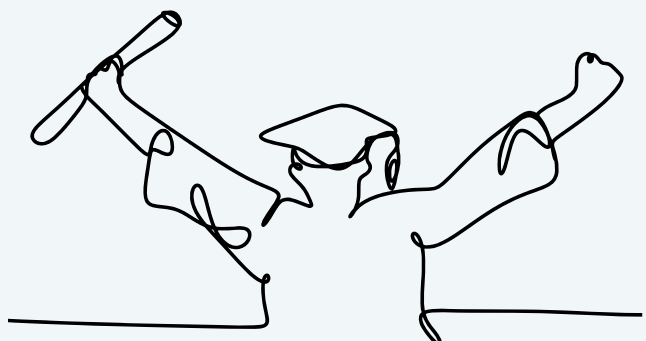

- 15% All India Quota seats: Admission is managed by the Directorate General of Health Services (DGHS) under the Medical Counselling Committee (MCC) via online counselling.
- Deemed and Central Universities: DGHS also conducts counselling for seats in deemed universities, including minority institutions, based on the NEET UG merit list.
- 85% State Quota seats: Counselling is conducted by the respective State Directorate of Medical Education.

Important Considerations for NEET UG 2025 Admissions

Merely appearing and qualifying in NEET UG does not guarantee admission. Candidates must fulfil additional criteria, including:

- Meeting the eligibility requirements set by NTA, Medical Council of India (MCI), respective state authorities, universities, and medical/dental colleges.
- Securing a competitive rank in the NEET UG merit list.
- Passing the medical fitness tests and other institution-specific requirements.

With HelloMedic NEET 2025, aspirants will receive expert guidance, structured preparation plans, and AI-driven mentorship to excel in their medical entrance journey. Stay ahead with precise study strategies, updated exam trends, and personalised learning insights to secure your dream medical seat!

NEET UG 2025: Key Highlights and Advantages

What is NEET?

NEET (National Eligibility cum Entrance Test) is the single national-level entrance exam for admission to nearly 1.17 lakh undergraduate (UG) and postgraduate (PG) medical and dental seats across India. The exam is categorized into NEET UG for MBBS and BDS admissions and NEET PG for postgraduate medical courses.

NEET UG is applicable to all medical and dental colleges established by:

- Central and state governments
- Universities and deemed universities
- Private trusts, societies, and corporations
- Minority institutions
- Institutes of National Importance (INIs) such as AIIMS and JIPMER

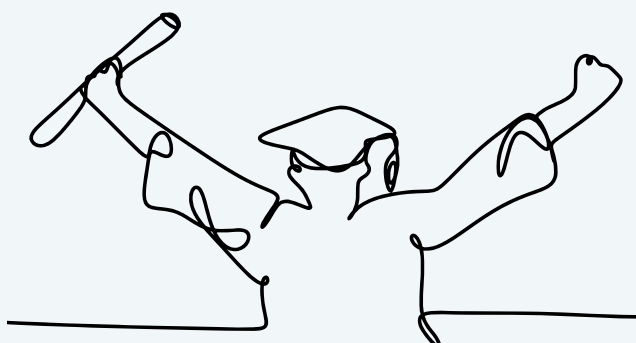

Common Syllabus for All Candidates

NEET UG ensures a uniform syllabus for all aspirants, regardless of the board of education they belong to. The Medical Council of India (MCI) prescribes the syllabus, eliminating the need for students to prepare for multiple entrance exams with different syllabi.

Key benefits of a common syllabus:

- Equal opportunity for candidates from all education boards
- Standardised evaluation across the country
- Reduced preparation burden

Additionally, the NEET UG question paper is available in two national and eight regional languages, making the exam accessible to students from vernacular backgrounds.

NEET UG 2025: Key Highlights and Advantages

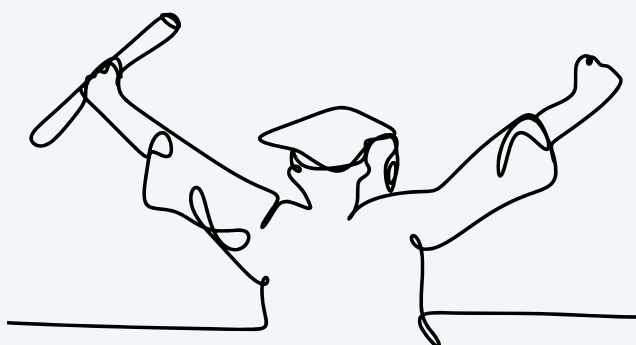

Common Counselling Process

NEET UG has streamlined centralised and state-wise counselling, ensuring efficient seat allotment and reducing vacant seats, particularly under the 15% All India Quota (AIQ) in government medical and dental colleges.

Key features of the common counselling system:

- **Transparent Fee Structure:** All medical and dental institutions must declare their fees before counselling, allowing students to make informed financial decisions.
- **Single-window Admission:** Deemed universities, minority institutions, and private medical colleges must participate in centralized counselling, conducted by the Directorate General of Health Services (DGHS) on behalf of the Medical Counselling Committee (MCC).
- **Reduced Seat Vacancies:** Candidates securing a seat in Round 2 of the AIQ counselling will no longer be eligible for state-level counselling. This prevents last-minute dropouts and ensures better seat utilization.

With these structured reforms, NEET UG 2025 continues to provide a fair, transparent, and streamlined admission process, ensuring that every deserving aspirant gets the best opportunity to pursue medical education in India.

NEET UG 2025: Important Dates

| Event | Date (Tentative) |
|--|----------------------|
| Online application release date | December 2024 |
| Last date for online application submission | January 2025 |
| Last date for application fee payment | January 2025 |
| Application correction window | January - March 2025 |
| Release of admit card | April 2025 |
| NEET UG 2025 exam date | May 2025 |
| Answer key release date | May - June 2025 |
| Result declaration | June 2025 |
| Counselling commencement for All India Quota | July 2025 |

◆ Dates are tentative and subject to official confirmation by NTA.

◆ Each state will conduct counselling as per its own schedule.

GET the NEET UG eBook for state-wise counselling details, seat allotment process, and admission guidelines.

NEET UG 2025: Eligibility Criteria

Candidates aspiring to appear for NEET UG 2025 must meet the eligibility criteria set by the National Testing Agency (NTA). Failure to fulfil these criteria will result in disqualification from admission.

Age Criteria:

- The candidate must be at least 17 years old on or before December 31, 2025 to be eligible for MBBS/BDS admission.
- There is no upper age limit for NEET UG, as per the Supreme Court ruling (2017).

Nationality:

Eligible candidates include:

- Indian Nationals
- Non-Resident Indians (NRIs)
- Overseas Citizens of India (OCIs)
- Persons of Indian Origin (PIOs)
- Foreign Nationals

Educational Qualification:

Candidates must have passed the following subjects individually in their qualifying examination:

- Physics
- Chemistry
- Biology/Biotechnology
- English

Minimum qualifying marks (PCB aggregate):

Category Minimum Marks Required

- General (UR) 50%
- SC/ST/OBC 40%
- General-PH 45%
- SC-PH/ST-PH/OBC-PH 40%

Candidates appearing for Class 12 board exams in 2025 can apply for NEET UG provisionally, but must fulfil the eligibility criteria upon result declaration.

State Quota & AIQ:

Jammu & Kashmir and Ladakh do not participate in the 15% All India Quota (AIQ) scheme. Candidates from these UT's are not eligible for AIQ seats unless they apply under AIQ eligibility conditions separately.

 Ensure you meet all eligibility criteria before applying for NEET UG 2025 to avoid disqualification.

NEET UG 2025: Exam Pattern

NEET UG 2025 will be conducted in a pen-and-paper (offline) format. The exam consists of 180 multiple-choice questions (MCQs) covering Physics, Chemistry, and Biology (Botany & Zoology) as per the prescribed NEET UG syllabus.

Language Options:

NEET UG will be conducted in eight regional languages along with Hindi and English.

📌 Important Note:

- The language medium must be selected while filling out the application form and cannot be changed later.
- Regional language options are restricted to states where they are officially recognised, except English and Urdu, which can be chosen at any exam center.
- Candidates who choose English will receive the question paper only in English.
- Candidates who choose Hindi or other regional languages will receive a bilingual question paper (selected language + English).

NEET UG 2025: Detailed Exam Pattern

| Exam Details | Description |
|------------------------------------|---|
| Exam Date & Time | May 2025 (2:00 PM – 5:00 PM) (Tentative) |
| Mode of Exam | Pen-and-paper (Offline) |
| Exam Duration | 3 hours |
| Language(s) Available | English, Hindi, Assamese, Bengali, Gujarati, Marathi, Tamil, Telugu, Oriya, Kannada, Urdu |
| Total Number of Questions | 180 |
| Type of Questions | Multiple-choice questions (MCQs) |
| Subject-wise Question Distribution | ♦ Biology (Botany & Zoology): 90 Questions ♦ Physics: 45 Questions ♦ Chemistry: 45 Questions |
| Marking Scheme | ✓ Correct Answer: +4 marks ✗ Incorrect Answer: -1 mark ✗ Unanswered Question: 0 marks |
| Syllabus | Based on NCERT topics, chapters, and subjects from Class 11 & 12 |

NEET UG 2025: Syllabus

The NEET UG 2025 syllabus is designed after reviewing multiple state boards' curricula, along with syllabi from CBSE, COBSE, and NCERT. The syllabus is framed based on Medical Council of India (MCI) recommendations to ensure uniformity across all educational boards. It covers essential topics from Class 11 and Class 12 Physics, Chemistry, and Biology, which are crucial for medical education.

NEET UG 2025: Subject-Wise Syllabus

Physics

Class 11 Topics

- Physical world and Measurement
- Kinematics
- Laws of Motion
- Work, Energy, and Power
- Motion of System of Particles and Rigid Body
- Gravitation
- Properties of Bulk Matter
- Thermodynamics
- Behaviour of Perfect Gas and Kinetic Theory
- Oscillations and Waves

Class 12 Topics

- Electrostatics
- Current Electricity
- Magnetic Effects of Current and Magnetism
- Electromagnetic Induction and Alternating Currents
- Electromagnetic Waves
- Optics
- Dual Nature of Matter and Radiation
- Atoms and Nuclei
- Electronic Devices

Chemistry

Class 11 Topics

- Basic Concepts of Chemistry
- Structure of Atom
- Classification of Elements and Periodicity in Properties
- Chemical Bonding and Molecular Structure
- States of Matter: Gases and Liquids
- Thermodynamics
- Equilibrium
- Redox Reactions
- Hydrogen
- The s-Block Element (Alkali and Alkaline Earth metals)
- Some p-Block Elements
- Organic Chemistry – Some Basic Principles and Techniques
- Hydrocarbons
- Environmental Chemistry

NEET UG 2025: Syllabus

NEET UG 2025: Subject-Wise Syllabus

Chemistry

Class 12 Topics

- Solid State
- Solutions
- Electrochemistry
- Chemical Kinetics
- Surface Chemistry
- General Principles and Processes of Isolation of Elements
- The p-Block Elements
- The d- and f-Block Elements
- Coordination Compounds
- Haloalkanes and Haloarenes
- Alcohols, Phenols, and Ethers
- Aldehydes, Ketones, and Carboxylic Acids
- Organic Compounds Containing Nitrogen
- Biomolecules
- Polymers
- Chemistry in Everyday Life

Biology

Class 11 Topics

- Diversity in the Living World
- Structural Organisation in Animals and Plants
- Cell Structure and Function
- Plant Physiology
- Human Physiology

Class 12 Topics

- Reproduction
- Genetics and Evolution
- Biology and Human Welfare
- Biotechnology and Its Applications
- Ecology and Environment

Key Highlights:

- The NEET UG syllabus is based on NCERT Class 11 & 12 textbooks.
- No state board topics are given extra weightage, ensuring uniformity across India.
- The syllabus covers Physics, Chemistry, and Biology, focusing on medical and dental studies.

📌 Candidates should Get the **NEET UG 2025 Secrets from Hellomedic** and prepare strategically to maximise their scores.

NEET UG 2025: Application Process

The NEET UG 2025 application process consists of four essential steps:

1. Downloading the Information Brochure
2. Registration
3. Filling the Application Form & Uploading Documents
4. Payment of Application Fee & Confirmation

Step 1: Registration

Candidates must complete the NEET UG 2025 registration by providing the following details:

Personal Details:

- Candidate's Full Name
- Mother's Name
- Father's Name
- Date of Birth
- Gender
- Nationality
- State of Eligibility
- Category
- Person with Disabilities (Yes/No)

Identification Details:

- Type of Identification (Aadhaar Card, Passport, etc.)
- Identification Number

Contact Details:

- Mobile Number
- Email ID

Verification & Security Setup:

- Carefully verify all entered details before submission.
- Create a secure password and confirm it.
- Select a security question and provide an answer.
- Click on OTP verification and enter the OTP sent to your registered mobile number.

✦ After successful registration, candidates can proceed to fill out the NEET UG 2025 application form and complete the submission process

NEET UG 2025: Application Process

Once the registration is completed, candidates will receive a Provisional Application Number, which serves as the Login ID for all future logins.

Step 2: Filling Out the NEET UG 2025 Application Form

Login & Form Access

- Click on the provided login link and enter your Provisional Application Number and Password to proceed.
- Ensure that all details match those on your Class 10 certificate to avoid discrepancies.

Details Required in the NEET UG 2025 Application Form

Personal Details (Pre-filled from Registration)

- Candidate's Full Name
- Mother's Name
- Father's Name
- Gender
- Category
- Date of Birth
- Nationality
- Identification Type
- Identification Number

Additional Personal Information:

- Are you a Person with Disability? (Yes/No)
- Do you belong to the Minority Category? (Yes/No)
- Do you have Type 1 Diabetes? (Yes/No)

Place of Birth Details

- State of Birth
- District of Birth

Address Details

- Permanent Address
- Correspondence Address

Choice of Medium for the Question Paper

- Candidates can select the language for the exam from the following options: English, Hindi, Gujarati, Marathi, Oriya, Bengali, Assamese, Telugu, Tamil, Kannada, and Urdu

NEET UG 2025: Application Process

Step 3: Uploading Scanned Documents

To successfully complete the application process, candidates must upload a scanned copy of their photograph and signature as per the prescribed specifications.

| Document | Specifications | Size & Format | Resolution & Dimensions |
|------------------------------|--|-------------------------------|-----------------------------|
| Resolution & Dimensions | <ul style="list-style-type: none"> White background 80% face coverage Ears clearly visible | 10 KB – 200 KB JPG format | 2.5 x 3.5 inches, 72 DPI |
| Postcard-Size Photograph | <ul style="list-style-type: none"> Taken on or after September 1, 2024 Preferably with name & date No cap or goggles 80% face coverage, ears visible | 50 KB – 300 KB JPG format | 4 x 6 inches, 72 DPI |
| Signature | <ul style="list-style-type: none"> White background Black pen signature No capital letters | 4 KB – 30 KB JPG format | 2.5 x 3.5 inches, 72 DPI |
| Left-Hand Thumb Impression | <ul style="list-style-type: none"> If the left-hand thumb is unavailable, the right-hand thumb may be used Blue ink on white paper | 10 KB – 50 KB JPG format | 2.5 x 3.5 inches, 72 DPI |
| Class 10 Passing Certificate | <ul style="list-style-type: none"> The candidate must scan and upload their Class X Passing Certificate | 100 KB – 400 KB JPG format | 2.5 x 3.5 inches, 72 DPI |

✦ Make sure all documents meet the specified size and format to avoid upload errors.

✦ Candidates who do not include their name and date below the photograph will have their application forms rejected.

NEET UG 2025: Application Process

Step 4: Payment of Application Fee

Candidates can pay the NEET UG 2025 application fee using one of the following methods:

1. Online Payment – Debit Card, Credit Card, or Net Banking
2. E-Challan Payment – Download the challan and pay in cash at an SBI branch during banking hours.

Step 5: Acknowledgement Receipt & Document Retention

After successful payment of the application fee:

- A confirmation page will be generated.
- The confirmation will also be sent to the registered mobile number and email ID.
- Candidates must print and preserve the confirmation page for future reference.

Documents to be Retained Until Admission

Candidates should keep the following documents safe:

- Printout of the NEET confirmation page
- Proof of application fee payment
- 6 to 8 copies of the uploaded photograph
- Copy of system-generated self-declaration (for J&K candidates opting for 15% AIQ seats)

NEET UG 2025: Application Fee Details

Category Application Fee

- General/OBC Candidates - ₹1,700
- EWS/OBC-NCL Candidates - ₹1,600
- SC/ST/PH Candidates - ₹1,000
- Candidates outside India - ₹9,500

📌 Ensure the correct fee payment to complete the application successfully. 🚀

NEET UG 2025: Application Form Correction Process

Candidates who need to correct errors in their uploaded images or application details can follow the steps below to make the necessary changes.

Correction of Uploaded Images

Candidates with discrepancies in their photograph or signature must correct them by following these steps:

1. Visit the NEET UG 2025 candidate login portal.
2. Enter your application number and password (received at the time of registration).
3. The option to upload the correct photograph/signature will be displayed.
4. Re-upload the correct image as per the specified guidelines.
5. Verify the uploaded image before submitting.
6. Upon submission, an OTP will be sent to the registered mobile number and email ID.
7. Enter the OTP, and the NEET correction slip will be displayed.
8. Download and print the correction slip for future reference.

Correction of Personal & Application Details

Candidates who need to modify personal details, address, category, or other information can follow these steps:

1. Login to the NEET candidate portal using your registration number and password.
2. Click on the button "Click Here for Corrections in NEET Application."
3. Modify the incorrect details and click on 'Preview and Submit.'
4. An OTP will be sent to the registered mobile number and email ID.
5. Enter the OTP to confirm the changes.
6. Download and print the correction slip for reference.

Important Notes:

- If a candidate changes their category from Reserved (SC/ST/PH) to General, they must pay the difference in the application fee online.
- No refunds will be issued if a candidate changes from General to Reserved category.
- Ensure that all corrections are made accurately to avoid discrepancies in the NEET UG 2025 application process.

NEET UG 2025: Admit Card

The NEET UG 2025 admit card will be released online for candidates who have successfully submitted their application form.

Steps to Download NEET UG 2025 Admit Card

1. Visit the official NTA website and go to the NEET UG admit card download link.
2. Enter the required details, including:
 - Security pin
 - Registration number
 - Password
 - Date of birth (as provided during registration)
3. Submit the details to access the admit card.
4. Download the PDF copy of the admit card.
5. A copy of the admit card will also be emailed to the candidate's registered email ID.

Details Mentioned in the NEET UG 2025 Admit Card

The admit card will contain three pages, each with essential information:

Page 1:

- Exam Centre Details – Venue, date, and reporting time.
- Self-Declaration (Undertaking) Form – Mandatory for candidates to confirm compliance with exam guidelines.

Page 2:

- Important Exam Instructions – Guidelines regarding exam conduct, prohibited items, and entry requirements.

Page 3:

- Advisory for Candidates – Special instructions and safety measures, including health and hygiene protocols.

 **Important:** Candidates must download all pages of the NEET UG 2025 admit card and carry a printed copy to the exam center

NEET UG 2025: Admit Card Details & Exam Day Guidelines

The NEET UG 2025 admit card will contain essential details regarding the candidate and the examination.

Details on the NEET UG 2025 Admit Card

Candidate Information:

- Candidate's Name
- Roll Number
- Registration Number
- Date of Birth
- Gender, Category, and Sub-Category
- Father's and Mother's Name
- Candidate's Address

Exam Details:

- Exam Date & Timings
- Exam Slot (Time)
- Medium of Question Paper (chosen)
- Exam Centre Number & Address
- Candidate's Signature

Technical & Security Details:

- IP Address, Date & Time of Admit Card Download
- Important Exam Instructions

How to Retrieve a Lost NEET UG 2025 Admit Card?

- If the admit card is lost, candidates can re-download it from their registered email ID.
- A copy of the admit card is sent via email after it is issued.
- Candidates should print the latest downloaded copy and keep multiple backups.

Documents to Carry Along with NEET UG 2025 Admit Card

Candidates must bring the following on exam day:

1. Self-Declaration (Undertaking) – Downloaded from the NTA website, printed on A4 paper, filled in, and signed only in the exam hall.
2. Personal Transparent Water Bottle – To stay hydrated.
3. Additional Photograph – Same as uploaded in the application, to be pasted on the attendance sheet.
4. Personal Hand Sanitiser (50 ml) – Small, transparent bottle.
5. Mask & Gloves – For health and safety compliance.
6. PwD Certificate & Scribe Documents – If applicable.
7. Valid Original Photo ID – Any one of the following:
 - a. PAN Card
 - b. Driving License
 - c. Voter ID
 - d. 12th Class Board Admit Card/Registration Card
 - e. Passport
 - f. Aadhaar Card (with photograph) / E-Aadhaar
 - g. Ration Card
 - h. Aadhaar Enrolment Number with Photo

 **Important:** Failure to carry the required documents may lead to disqualification from appearing in the NEET UG 2025 exam.

NEET UG 2025: Exam Day Guidelines & Dress Code

Candidates appearing for NEET UG 2025 must follow strict guidelines regarding exam day procedures, permitted and prohibited items, and dress code to ensure a smooth and fair examination process.

Exam Day Schedule

| Event | Time |
|-----------------------------------|-------------------|
| Entry starts at the exam center | 11:30 AM |
| Checking of NEET UG admit cards | 1:30 PM - 1:45 PM |
| Close of entry into the exam hall | 1:30 PM |
| Distribution of question booklet | 1:45 PM |
| Opening of question booklet seal | 1:55 PM |
| Exam begins | 2:00 PM |
| Exam ends | 5:00 PM |

Exam Day Instructions

General Guidelines:

- Candidates must do all rough work in the question booklet only.
- No marks, extra writings, or rough work should be done on the answer sheet.
- Any violation of exam rules may lead to permanent debarment from NEET UG.

Prohibited Items:

Candidates will be thoroughly frisked before entry. Do not carry any of the following:

Stationery & Study Materials:

- Books, notebooks, printed or written materials.
- Geometry boxes, plastic pouches, pens, scales, writing pads, calculators, log tables.
- Erasers, electronic pens, scanners.

Electronic & Communication Devices:

- Mobile phones, smartwatches, Bluetooth devices, earphones, microphones, pagers, fitness bands.

Personal Items:

- Wallets, handbags, goggles, belts, caps.
- Any metallic items, ornaments (rings, earrings, nose pins, necklaces, pendants, brooches).

Food & Drink Items:

- Eatables (opened or packed).
- Water bottles (except transparent personal bottles).

No Storage Facility:

- Exam centers will not provide any arrangement to store prohibited items. Candidates must leave them at home.

NEET UG 2025 Dress Code

Candidates appearing for NEET UG 2025 must follow strict guidelines regarding exam day procedures, permitted and prohibited items, and dress code to ensure a smooth and fair examination process.

Allowed Attire:

Clothing:

- Light-colored clothes with half sleeves.
- Simple attire without big buttons or embroidery.

Footwear:

- Boys: Slippers only (no shoes).
- Girls: Sandals with low heels (no shoes).

Not Allowed:

- Full-sleeve clothes, jeans, leggings, or heavy embroidery.
- Shoes or closed footwear.
- Watches, wristbands, cameras, or any ornaments.

For Candidates Wearing Customary Dress:

- Religious attire such as burkha, kirpan, turban, etc., is permitted.
- Candidates must report one hour before the entry time for security clearance.

📌 Note: Candidates violating the dress code will not be allowed to take the exam.

NEET UG 2025 Answer Key

The NEET UG answer key is an essential resource for candidates to evaluate their performance in the exam. While unofficial answer keys are released by leading coaching institutes immediately after the exam, the official answer key is published by NTA.

Official NEET UG Answer Key Release Date

- The NTA will tentatively release the official answer key in the second week of September 2025.
- Before this, candidates' OMR response sheets (scanned copies of their marked answers) will also be made available online.
- Candidates can view and download the official answer key from the NTA website.

Steps to Download the Official NEET UG Answer Key

1. Visit the official NTA website – <https://neet.nta.nic.in>
2. Click on the link for NEET UG Answer Key 2025.
3. Enter your Application Number, Date of Birth, and Security Pin.
4. Click on the "Answer Key" option.
5. The answer key (for your specific question paper code) will be displayed.
6. Download and verify the answers against your response sheet.

How to Challenge the NEET UG 2025 Answer Key?

Candidates who disagree with any answer in the official answer key can raise objections through an online challenge process. Follow these steps to challenge the answer key:

1. Click on the official link (to be provided by NTA).
2. Log in using your Application Number and Password.
3. Click on the "Key Challenge" tab.
4. Select the Test Booklet Code that you wish to challenge.
5. Choose the specific question you believe has an incorrect answer.
6. Provide the correct answer along with supporting justifications (if any).
7. Click on "Submit" and proceed to payment.
8. Pay the challenge fee via debit card or credit card.
9. After successful submission, a confirmation page (with transaction details and challenged question details) will be generated.
10. Take a printout of the confirmation page for future reference.

📌 **Note:** The NTA will review all challenges, and if any objection is found valid, the answer key will be updated accordingly. The final decision by NTA is binding, and no further objections will be entertained.

NEET UG 2025 Answer Key

The NEET UG 2025 result is expected to be declared in the last week of September 2025. The result will be released online in the form of a scorecard, and candidates must achieve the minimum qualifying percentile to be eligible for admission to MBBS and BDS programs in government, private, and deemed universities across India.

NEET UG 2025 Result Highlights: The NEET UG scorecard will display:

- Total percentile score
- All India Rank (AIR)
- Marks secured in each subject (Physics, Chemistry, Biology)
- Total marks obtained
- NEET cutoff for 15% All India Quota (AIQ) seats
- Qualified/Non-qualified status

The result will be declared online by the National Testing Agency (NTA) along with the official NEET UG cutoff.

How to Check NEET UG Result?

1. Visit the official NTA website – <https://neet.nta.nic.in>
2. Click on the link for NEET UG 2025 Result.
3. Enter your NEET UG Roll Number and Password.
4. Click on Submit to view your result.
5. Download the NEET UG Scorecard for future reference.

 Note:

- The NEET UG result and scorecard will NOT be sent by post or any offline mode.
- The NEET UG cutoff will help determine if candidates qualify for admission into MBBS/BDS seats in medical colleges across the country, including AIIMS and JIPMER.

NEET UG 2025 Expected Category-wise Qualifying Percentile

| Category | Qualifying Percentile |
|--|-----------------------|
| Unreserved (General) | 50th percentile |
| Scheduled Caste (SC) / Scheduled Tribe (ST) / Other Backward Classes (OBC) | 40th percentile |
| Physically Handicapped (PH) | 45th percentile |

NEET UG CUT OFF

The NEET UG cutoff is the minimum score a candidate must achieve to qualify for the exam and proceed with the admission process. It is categorised into two types:

1. Qualifying Cutoff – The minimum marks required to pass the NEET UG exam.
2. Admission Cutoff – The score necessary for securing a seat in medical and dental colleges across the country.

The NEET UG cutoff is determined by various factors, including the number of available seats, the total number of applicants, the exam's difficulty level, and the marking scheme. Based on this cutoff, the National Testing Agency (NTA) classifies candidates as qualified or non-qualified for the exam.

Additionally, the top 15% of qualified candidates become eligible to participate in the 15% All India Quota (AIQ) counselling. The rank range for this quota is declared separately.

The admission cutoff for NEET UG varies by state, institution, and category. To qualify, candidates must achieve a minimum percentile score:

- General (UR) category candidates must secure at least the 50th percentile.
- SC/ST/OBC category candidates must score at least the 40th percentile.

These cutoffs ensure that only the most eligible candidates proceed to the next stage of medical and dental admissions.

NEET UG 2024 Qualifying Cutoff Scores

The National Testing Agency (NTA) released the NEET UG 2024 qualifying cutoff scores, which were higher compared to previous years due to an increased number of high-scoring candidates. The category-wise qualifying percentiles and corresponding score ranges are as follows:

| Category | Qualifying Percentile | Qualifying Score Range |
|---------------|-----------------------|------------------------|
| General (UR) | 50th | 720-162 |
| SC/ST/OBC | 40th | 161-127 |
| General-PwD | 45th | 161-144 |
| SC/ST/OBC-PwD | 40th | 143-127 |

Note: These scores were revised on July 26, 2024, reducing the cutoff scores by two marks for each category compared to the original results.

Your Medical Admission Support System

REVOLUTIONIZING MEDICAL ADMISSIONS WITH AI-MENTORSHIP

Navigating the complex and highly competitive medical admission process requires precision, strategy, and real-time insights. HelloMedic transforms this journey with AI-driven mentorship, offering data-backed counseling strategies, personalized seat predictions, and expert guidance at every step. By analyzing cutoff trends, competition patterns, and seat availability, our AI ensures candidates make informed decisions, minimizing errors and maximizing their chances of securing a medical seat. With HelloMedic, students eliminate guesswork, avoid costly mistakes, and gain a competitive edge in their NEET UG admissions.

@HelloMedic

NEET UG CUT OFF

NEET UG 2025 Expected Cutoff

While the NEET UG 2025 exam is scheduled for May 4, 2025, the expected cutoff scores are anticipated to be in a similar range to those of 2024, considering factors such as the number of candidates, exam difficulty, and seat availability.

Determining Factors for NEET UG Cutoff

Several factors influence the determination of the NEET UG cutoff each year:

- **Number of Applicants:** A higher number of candidates can lead to increased competition, potentially raising the cutoff scores.
- **Exam Difficulty Level:** A more challenging exam may result in lower overall scores, which could lower the cutoff. Conversely, an easier exam might increase the cutoff.
- **Seat Availability:** The total number of medical and dental seats available influences the cutoff, with limited seats leading to higher cutoffs.
- **Candidate Performance:** Overall performance trends, such as a higher number of top scorers, can impact the cutoff scores.

Admission Process Post-NEET UG

Candidates who meet or exceed the qualifying cutoff become eligible to participate in the counselling process for admissions into MBBS and BDS programs across India. The Medical Counselling Committee (MCC) conducts the counselling for 15% All India Quota (AIQ) seats, while respective state authorities handle the counselling for the remaining 85% state quota seats.

It's essential for aspirants to regularly check official sources and counseling authorities' websites for the most accurate and updated information regarding cutoffs and the admission process.

NEET UG CUT OFF

NEET UG 2025 Expected Cutoff

While the NEET UG 2025 exam is scheduled for May 4, 2025, the expected cutoff scores are anticipated to be in a similar range to those of 2024, considering factors such as the number of candidates, exam difficulty, and seat availability.

NEET UG Counselling

The NEET UG counselling is expected to begin in the first week of October, approximately one week after the declaration of results. The Directorate General of Health Services (DGHS), on behalf of the Medical Counselling Committee (MCC), is responsible for conducting counselling for:

- 15% All India Quota (AIQ) seats
- Seats in central and deemed universities

Key Points about NEET UG Counselling

- Jammu and Kashmir does not participate in the All India Quota (AIQ). Instead, it conducts separate counselling for 100% of its state quota seats.
- Counselling is conducted online and consists of two rounds for admissions to government medical and dental colleges across India.
- Each state conducts its own counselling separately for state quota seats in government and private colleges.
- Only candidates who qualify for NEET UG are eligible to register for counselling within the given time frame.

NEET UG Counselling Process

1. Counselling Registration – Qualified candidates must register online.
2. Choice Filling & Locking – Candidates select their preferred colleges and courses.
3. Round 1 Seat Allotment – Seats are allocated based on rank, preferences, and category.
4. Round 1 Result Announcement – The list of allotted candidates is released.
5. Reporting to Allotted Colleges – Candidates who accept their seats must report to their respective colleges for admission.
6. Round 2 Seat Allotment – A second round of seat allocation is conducted for remaining vacant seats.
7. Round 2 Result Announcement – Final allotment results are published.

This structured counselling process ensures that eligible candidates secure seats in medical and dental institutions across the country efficiently.

Reporting at Allocated Colleges After Second Round of Counselling

Candidates allotted a seat in the second round of NEET UG counselling must report to their respective colleges with the required original documents for verification. Admission confirmation is subject to successful document verification. Failure to present the necessary documents will result in the cancellation of the allotted seat, making the candidate ineligible for MBBS or BDS admission through NEET UG.

NEET UG Counselling

Documents Required for NEET UG Counselling

Candidates must carry both original and photocopies of the following documents for verification:

- NEET UG Admit Card/Hall Ticket
- NEET UG Result (Rank Letter & Scorecard)
- Class 10 Certificate (for Date of Birth proof)
- Class 12 Marksheet & Certificate
- 10 Passport-Sized Photographs (same as uploaded in the NEET UG application)
- Valid Identity Proof (Aadhar Card, Passport, Voter ID, etc.)
- Category Certificate (SC/ST/OBC), if applicable – Issued by a competent authority
- PwD Certificate, if applicable – Issued as per guidelines in the NEET UG prospectus

NEET UG Counselling Process

1. Registration

- Candidates declared eligible by NTA must register online for counselling through the official website.
- Click on the "New Registration" tab and enter details such as:
 - NEET Roll Number
 - All India Rank (AIR)
 - Percentile Score
- Upon successful registration, candidates will be allotted a unique username and password for further login.

2. Choice Filling & Locking Preferences

- Candidates must select their preferred medical and dental colleges from the available list.
- Choices can be modified, interchanged, or rearranged multiple times before the final submission.
- Once satisfied, candidates must lock their choices—after which no modifications can be made.

3. Round 1 - Seat Allotment

- The seat allotment process is based on:
 - Candidate's NEET UG rank
 - Category (General/OBC/SC/ST/PwD, etc.)
 - Availability of seats in preferred colleges
- Seat allotment results will be published online, and candidates must check their allocation status.

This structured counselling process ensures transparency in medical and dental college admissions for NEET UG candidates.

4. Round 1 - Counselling Result Declaration

After the completion of the seat allotment process, the Round 1 counselling result for NEET UG 2025 will be published online in PDF format. The result will include:

- State Name
- Institute Name (Medical/Dental College)
- Branch Allotted (MBBS/BDS)
- Category of the Candidate
- Total Seats Available

NEET UG Counselling

NEET UG Counselling

5.ProcessSubsequent Counselling Rounds

- Further counselling rounds will follow the same process as Round 1.
- Candidates already allotted a seat in Round 1 must report to their respective colleges to be eligible for upgradation in Round 2 or Mop-up Round.
- Upgradation is possible only if seats become vacant due to withdrawals or non-reporting by other candidates.

NEET UG 2025 State-wise Counselling

- State governments will conduct separate two-round counselling sessions for admission to state quota seats in government and private colleges.
- Candidates must check the official state counselling portals for details regarding registration, seat allotment, and reporting dates.

NEET UG 2025 College Predictor – HelloMedic

Plan Your Admission with HelloMedic's AI-Powered College Predictor

HelloMedic's NEET UG College Predictor 2025 is an advanced AI-driven tool designed to help aspirants estimate their chances of admission based on their NEET UG scores.

How HelloMedic's College Predictor Works?

1. Enter your NEET UG 2025 result details, including:
 - NEET Score & Rank
 - Category (General/OBC/SC/ST/PwD, etc.)
 - All India Quota (15%) or State Quota (85%)
 - Preferred Course (MBBS/BDS)
2. The tool will analyse previous years' NEET admission data and compare it with current trends.
3. It will generate a list of prospective colleges where you have a high chance of securing admission.

Why Use HelloMedic's NEET UG 2025 College Predictor?

- Accurate Data-Driven Predictions using historical admission trends
- Personalised Admission Insights based on rank, category, and state quota
- AI-Powered Seat Allotment Forecasting for better decision-making

Access HelloMedic's College Predictor for NEET UG 2025 – Find the Best Medical College for Your Score!

With HelloMedic, securing your dream medical seat has never been easier!

Interview with a NEET UG Topper – How HelloMedic Helped Me Secure My Dream Medical College

HelloMedic presents an exclusive interview with Aarav Sharma, a NEET UG 2024 Topper, who shares his journey and how HelloMedic's AI-driven counselling guidance played a crucial role in securing his dream medical college.

HelloMedic: Tell us about yourself and your NEET UG journey.

Aarav Sharma: I come from Jaipur, Rajasthan, and have always been passionate about becoming a doctor. I worked hard for NEET UG 2024 and secured an All India Rank (AIR) of 87. While my preparation was strong, I realized that the real challenge began after the results were declared—choosing the right college through counselling.

HelloMedic: How did you navigate the NEET UG counselling process?

Aarav Sharma: Initially, I was confused about the different rounds of counselling, choice filling, and category-based seat allotment. I was unsure about which colleges I had a real chance at based on my rank and category. That's when I came across HelloMedic's AI-powered NEET Counselling Guidance.

HelloMedic's platform provided me with:

- Step-by-step guidance on filling my NEET UG counselling form correctly.
- Personalised college recommendations based on my score, rank, and preferences.
- Real-time updates on cutoffs and seat availability for AIQ (All India Quota) and State Quotas.
- Expert insights on choosing the best medical colleges based on future career prospects.

HelloMedic: How did HelloMedic's NEET AI help you in making the right choices?

Aarav Sharma: HelloMedic's NEET AI tool was a game-changer for me! It analyzed:

- My NEET score and category rank to predict my chances in different colleges.
- Past cutoff trends and college reputation to help me shortlist options.
- Alternative pathways, like deemed universities and private medical colleges, in case my preferred choice was not available.

Using HelloMedic's College Predictor AI, I realised that I had a higher chance of securing admission in Maulana Azad Medical College (MAMC) rather than AIIMS Jodhpur, which was my initial first choice. The tool saved me from wasting a counselling attempt on unrealistic choices!

HelloMedic: What was your strategy for filling choices in the NEET UG counselling process?

Aarav Sharma: Thanks to HelloMedic's guidance, I followed a structured choice-filling approach:

1. Top-ranked colleges with the highest competition (dream choices)
2. Colleges where my rank matched previous cutoffs (realistic choices)
3. Backup options in private and deemed universities (safety net)

This strategic approach ensured that I got a seat in one of my top choices without stress.

HelloMedic: How did HelloMedic support you after the seat allotment?

Aarav Sharma: The journey didn't end with seat allotment. HelloMedic helped me with:

- Document verification checklist to ensure I had all required papers.
- Reporting timelines and procedures for my allotted college.
- Guidance on waiting lists & seat upgradation process in Round 2.

HelloMedic's dedicated student support made sure I faced no issues during admission.

Interview with a NEET UG Topper – How HelloMedic Helped Me Secure My Dream Medical College

HelloMedic: What advice would you give to future NEET UG aspirants?

Aarav Sharma: My biggest advice is: Your NEET journey doesn't end with a good score. Making the right choices in counselling is just as important!

- Use AI-powered counselling tools like HelloMedic to avoid mistakes.
- Be realistic in choice filling—don't waste preferences on unreachable colleges.
- Keep all documents ready and follow the reporting deadlines strictly.

With HelloMedic's NEET AI and counselling support, I secured my seat at Maulana Azad Medical College (MAMC), Delhi—my dream institute!

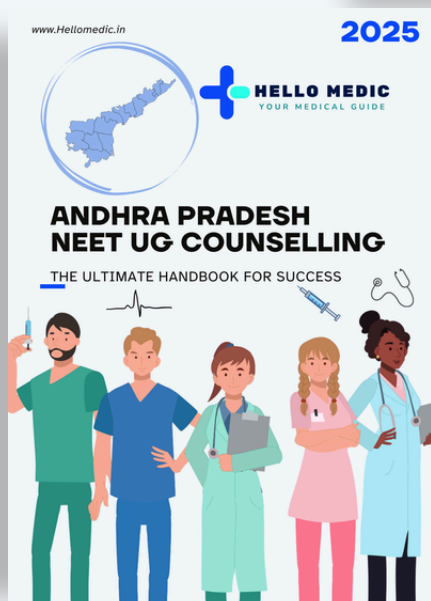

Thank you, HelloMedic, for making my medical dream a reality!
